Toys and Dolls you'll LOVE to make & make to LOVE!

Kawaii Kuties Kawaii CAT © 2014

Finished Size: 12" / 31cm (tall)

These cute little Kawaii Animal Dolls were inspired by my recent trip to Japan. Their over-sized heads and large eyes create the typical kawaii face. This easy pattern makes a perfect first sewing project for a beginner because they are QUICK and FUN to make. They are great for using up your fabric stash and make cute baby toys too!

Kawaii Kuties Pet Jacket Pattern

© 2013

This pet jacket will fit ALL of the Kawaii Kuties!

It's been so cold here in Brisbane, while I've been designing my Kawaii Pets, we're ACTUALLY having a winter for a change.

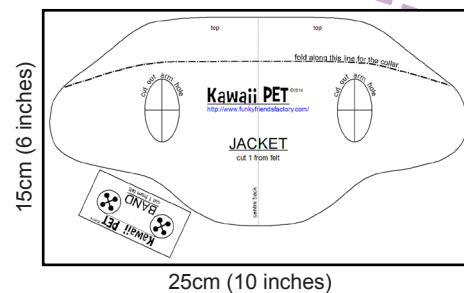

My real pets have been feeling the cold and last night was so cold I was thinking I really should buy them (design them?) some jackets!

AND that got me thinking... and I just HAD to design a jacket for my Kawaii Kuties! :)

LAYOUT DIAGRAM

The jacket can be made from wool felt or synthetic felt.

TIP: I have a blog post with pros and cons of both to help you decide which to use - <http://www.funkyfriendsfactory.com/blog/wool-felt-or-acrylic-which-is-better/>

GATHER YOUR MATERIALS

- Felt 15x25cm / 6x10inches wide.
- 2 buttons 12-24mm (1/2 - 1inch)
- General sewing supplies (thread, needles,scissors, etc).
- Fabric marker.
