

Toys and Dolls you'll LOVE to make & make to LOVE!

You will need:

- a scrap piece of fleece in a contrasting colour.
- a small ball of 4-ply wool/yarn.

There are so many fancy types and textures in yarns these days, besides plain simple colours you get variegated, misted, fuzzy, wavy, bobbly, shimmery, shiny/sparkly types. I decided to keep it plain for the demonstration, so I used a plain blue and a plain yellow and simply mixed the 2 yarns together!

HORSEY'S MANE

Bonus Pattern

I designed my Horsey Horse and Unix Unicorn Sewing Pattern with a mane and tail made from fake fur.

Don't worry if you can't find fake fur...

I'm going to show you 2 more really cool ways to make a mane for your horse or unicorn!

First we'll make the mane and tail from scraps of fleece. (This method is the same if you want to use felt too!)

And then we'll make the mane and tail from yarn/wool!

* FIND the instructions for Horsey's mane on my toy-making blog -

Pease note:

- this pattern is an ADDITION to my Horsey and Unicorn Sewing Pattern and does NOT include the full pattern to make the horse/unicorn.

ALL the instructions required to make this mane and tail from fleece and yarn/wool can be found on my blog.

HORSEY Fleecy MANE

HORSEY Wool/Yarn MANE

I hope you have fun making your **HORSEY's** MANE!
